Professional Summary

Computer Science Engineering graduate specializing in DevOps methodologies, automated cloud infrastructure provisioning, and resilient backend architecture. Hands-on expertise in Terraform, Docker, and Jenkins to build automated CI/CD deployment pipelines, optimize Linux kernel performance, and ensure high system availability. Proven track record in bridging development and operations to accelerate release cycles and improve system stability.

Technical Skills

Cloud & Infrastructure: AWS, GCP, Terraform, Jenkins, Docker, Nginx, Linux (Ubuntu/Kali)
DevOps Methodologies: CI/CD Workflows, Kernel Tuning, Sysctl, High Availability, Root-Cause Analysis (RCA)
Languages & Frameworks: Python, Java, Spring REST, SQL, Solidity, JavaScript (ES6+), Bash, React.js, Flask
Tools & Databases: Git, GitHub, MySQL, Postman, Hardhat, Web3.js, RESTful APIs, Ethereum Testnet (EVM)

AI Skills

Generative AI & LLMs: Prompt Engineering, RAG Architectures, Vector Databases, LangChain, Claude, Gemini
Machine Learning & Data: Scikit-Learn, Pandas, TensorFlow, K-Means Clustering, SHAP, LIME, RFM Analysis

Experience

DevOps Intern Dec 2025 – Mar 2026
Burj Tech Consultancy *Tiruvallur, Tamil Nadu, India*

- Automated cloud infrastructure provisioning using declarative **Terraform**, slashing environment setup times by over **40%**.
- Configured end-to-end **Jenkins CI/CD** pipelines to automate containerized testing and builds on each pull request.
- Fine-tuned **Ubuntu Linux kernel** parameters (`sysctl`) and executed Root Cause Analysis (**RCA**) to ensure zero downtime.

Data Science & AI Intern Jul 2025 – Aug 2025
Rasa.ai Labs (JKV Research) *Chennai, Tamil Nadu, India*

- Configured high-availability staging and compute environments for low-latency, real-time AI model inference pipelines.
- Authored custom **Bash automation scripts** for proactive monitoring of CPU/GPU utilization and memory footprints.

Data Science Intern Apr 2025 – May 2025
Remark Skill Education (IIT Hyderabad Partner) *Remote*

- Executed customer segmentation models using **K-Means clustering** and built modular **Python** data extraction pipelines.
- Trained predictive classification models using **Scikit-Learn** and **Pandas** to deliver actionable business intelligence.

Projects

SmartPanchayat: Blockchain dApp | *React.js, Java, Solidity, Hardhat* | GitHub May 2026
- Built decentralized governance platform combining React.js frontend, Java backend, and Solidity contracts.
- Deployed gas-optimized smart contracts via Hardhat on Ethereum testnet with automated scripts.

Fake News Detection & ETL Pipeline | *Python, MySQL, Scikit-Learn* | GitHub 2026
- Engineered automated ETL pipeline processing 44,898 records, storing 44,058 entries into MySQL at 99.1% accuracy.
- Trained and benchmarked production ML classifiers (Random Forest, Logistic Regression) for classification.

Genius Shoppy: AI Analytics | *Python, XAI, SHAP, LLMs* | GitHub Jul 2025
- Integrated Explainable AI (SHAP/LIME) and prompt-engineered LLM workflows for customer insights.
- Executed 5-tier RFM customer segmentation models via Python microservices to isolate churn cohorts.

Scalable Cloud E-Commerce Platform | *AWS S3, Flask, Docker, Nginx* | GitHub Apr 2025
- Architected secure e-commerce platform containerized via Docker and reverse-proxied with Nginx.
- Leveraged AWS S3 for static asset offloading to minimize server disk I/O and latency.

Education

Sriram Engineering College Perumalpattu, TN
Bachelor of Engineering in Computer Science; ***CGPA: 8.0 / 10.0*** *2026*

Govt. Boys Hr. Sec. School Perambakkam, TN
Higher Secondary Certificate (12th Grade); ***Score: 62.6%*** *2022*

St. Joseph's Boys Hr. Sec. School Keelacherry, TN
Secondary School Leaving Certificate (10th Grade); ***Score: 88.6%*** *2020*

Certifications

Full Stack with Java & Spring REST — Infosys Springboard Certificate
AWS Cloud Foundations — Smartbridge Certificate
Experience-Based Project Learning — HCL Certificate
Microsoft Office Essentials — TNSDC Certificate
Data Science & Analytics — Remark Skill Education Certificate
Unity 3D & Spatial AI Development — E16 AI XR Technology Pvt Ltd. Certificate
